IMAGINE EVERYTHING YOU’LL ACHIEVE
PICTURE IT IN YOUR MIND ... YOUR VISION OF THE FUTURE

"I want to make an impact on the world and I believe Arizona can help me achieve that goal."

— MANUEL, COMPUTER SCIENCE
At the University of Arizona, imagination fuels all that we do.

It’s what pushes us to make the unreal real. When the world says it can’t be done, just watch.

Within the pages of this book, you’ll learn exactly how we can help transform your imagination into reality.

What could you achieve with limitless possibilities?

*Here’s your chance to find out.*

If you’re undecided, don’t worry. Your academic advisor can help you figure out a path to explore areas of interest while keeping you on track. Plus, the A Center provides support and multiple resources for Undeclared, Transitional, Pre-Health Professions, and Pre-Law students. And if you want to go beyond our nearly 300 majors, you can build an experience that includes minors, double majors and more.

LIFE AT ITS FULLEST

Our campus culture celebrates individuality and inspires students to pursue their passions. Want to get involved with a cause you care about, flex your leadership skills and make new friends? With 600+ student clubs and organizations, Wildcat life offers something for everyone.

CLUBS AND ORGANIZATIONS
From cars to sustainability to ceramics to student government (and everything in between), there are so many ways to get involved on campus. Still can’t find your perfect fit? You can always start your own club to connect with others who are just as passionate as you.

HOUSING & RESIDENTIAL LIFE
Living in one of our 23 dorms is the best way to be at the heart of all the action Arizona has to offer. Plus, research shows students who live on campus their first year have a GPA that’s 8% higher than those who live off campus.

ATHLETICS AND ZONAZOO
Arizona is a proud member of the Pac-12 and features 17 different NCAA Division I sports teams. You can cheer on student-athletes from the ZonaZoo, one of the nation’s largest (and loudest) student sections.

“IT is one big school but a tight-knit community that cares about everyone.”
— KELSEY, BUSINESS
“I think the close proximity of interesting or fun things to do around the city is what makes Tucson a great college town.”

— CECLIA, SPANISH LANGUAGE AND INTERPRETATION

A CITY AS UNIQUE AS YOU

With tons to do and explore, it’s no wonder more than one million people call the Tucson metro area home. Fall in love with its character, find your favorite hangouts and be supported by locals who love Arizona just as much as you do.

arizona.edu/student-life/tucson

Tucson is a dream for outdoorsy types — or those who prefer to sit poolside and soak up the sun. With more than 300 days of sunshine per year and an average high temperature of 83°F, you won’t have to worry about weather being an issue.

Tucson’s best hangouts are near campus, like University Boulevard or the famous Fourth Avenue — both of which have tons of eclectic shops, coffee and more. And whether it’s Mexican food, pizza or grab-and-go, Tucson has some of the best food in the country.

Seriously, come hungry.
GREETINGS FROM
FINANCIAL AID

Our Office of Scholarships and Financial Aid works to help you cover the cost of education with scholarships, grants, loans, work study, and more.

WE WANT TO REWARD YOU FOR YOUR HARD WORK
If you meet certain requirements, you may qualify for merit-based scholarships to help fund your Arizona education.

Wildcat Tuition Awards | FOR ARIZONA RESIDENTS
As an Arizona high school graduate, you may qualify for one of our highly competitive Wildcat Tuition Awards. The Wildcat Recognition, Excellence and Distinction Awards are based on high school merits including your core unweighted high school GPA through your sixth semester.

Arizona Tuition Awards | FOR NON-ARIZONA RESIDENTS
As an out-of-state high school graduate, you may qualify for one of our highly competitive Arizona Tuition Awards. The Arizona Recognition, Excellence and Distinction Awards are based on high school merits including your core unweighted high school GPA through your sixth semester.

National Scholar Tuition Awards
We award nationally competitive tuition awards along with study abroad awards to National Scholars who qualify by taking the Preliminary SATs (PSATs) in high school. If you are a National Merit Finalist, you must declare Arizona as your first school of choice with National Merit Scholarship Corporation by its deadline.

For more information about these awards, including full terms and conditions, visit go.arizona.edu/terms

Remember, GPA and test scores aren’t everything. We do a comprehensive review and consider your course load and extracurricular activities. You can also use our optional 500-word personal statement to tell us about the things that don’t show up on your application.

WHAT YOU’LL NEED

- 4 years of English
- 4 years of mathematics
- 3 years of lab science
- 2 years of the same second language
- 2 years of social sciences
  (1 year of American history)
- 1 year of fine arts or 1 year of
career and technical education (CTE)

If you’re in the top 25% of your class and have completed the core requirements or have a 3.0 unweighted core GPA at your sixth semester, you’re assured admission to the university.

HONORS COLLEGE

Interested in joining our remarkable honors students and getting access to our innovative Honors Village? After submitting your admission application, you will have the opportunity to complete a separate Honors application.
